

Public Meeting

We're proposing no rate increase and continuing to restructure rates as part of next year's budget, keeping LES among the nation's leaders in delivering highly reliable, low-cost electricity.

Top 3 things to know about our 2019 budget:

- 1 We're not having an overall rate increase. Only streetlight rates are changing.
- 2 Our 2019 budget will be 4 percent lower than 2018.
- 3 Even with several construction projects underway, our capital budget will be \$14.5 million less next year, too.
