

# ELECTRICITY IS OUR FRIEND

*Hi! I'm Lester. I work for Lincoln Electric System, so I'm an expert on electricity and electric safety.*

*Electricity powers many things that you use every day. Can you circle all the items that use electricity? (Here's a hint, there's four.)*

*I'm Leslie! Lester's right, electricity is very useful. But it can also be very dangerous. Be sure to listen to the Safety Friends so you'll always be safe around electricity.*
