

DON'T PLAY ON OR AROUND ELECTRICAL EQUIPMENT

Don't climb on electrical poles or towers and don't ever play on transformer boxes, even if one is in your yard.

STAY AWAY FROM ANY WIRE ON THE GROUND

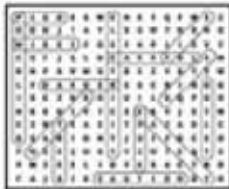

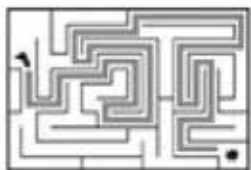

If you see a wire on the ground, stay away and tell an adult immediately.

Parents...

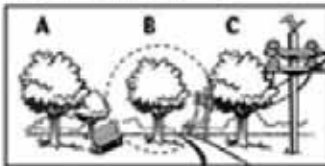

Take a few minutes to reinforce the points in this booklet with your children. Be sure to stress that if a situation is unsafe, they should come to you immediately. If you should need assistance from LES for a power outage, down line, or kite stuck in electrical lines, call the LES PowerLine and leave a message.

ANSWER KEY

ITEMS THAT USE ELECTRICITY:
TOASTER, REFRIGERATOR, LAMP, STEREO

TREE C IS UNSAFE TO CLIMB.
TREE B IS DIFFERENT.

Lincoln Electric System
