

Renewable Energy Credits Order Form

Form 801.02.F01
05/2017

As a customer of Lincoln Electric System (LES), I wish to make an impact on the environment and purchase Renewable Energy Credits (REC) generated this year from LES' renewable generating resources.

Orders must be in lots of 10 RECs, with a maximum of 1,000 RECs (100 lots) per customer. Please contact LES if you wish to purchase more than 1,000 RECs.

Number of 10 REC Lots	X	Price per Lot*	=	Total Cost of Purchase
\$		\$		\$
	X		=	

Enclosed is a check for the amount of the purchase.

Name: _____

Address: _____

Lincoln, Nebraska ZIP: _____

Telephone Number: _____

LES will make every effort to fulfill the order but cannot guarantee that all requests will be met.

*REC prices will be adjusted periodically to accurately reflect market value. Please check current REC price by calling an LES representative at 402-473-3399.
