THE CITY OF LINCOLN, NEBRASKA

INTRODUCTION

This Offering Memorandum (which includes the Appendices attached hereto) is furnished by The City of Lincoln, Nebraska (the “City”), a municipal corporation existing pursuant to its home rule Charter and under the laws of the State of Nebraska (the “State”), to provide information concerning: (i) the City; (ii) the City’s electric system (which is hereinafter referred to as the “Lincoln Electric System,” “LES” or the “System” and which is defined in the Bond Ordinance described below to include all property and assets of the City used for or pertaining to the generation, transmission, distribution and sale of electric power and energy); and (iii) the \$150,000,000 maximum aggregate principal amount of the City’s Electric System Revenue Commercial Paper Notes (the “Notes”).

AUTHORITY

The Notes are being issued pursuant to Nebraska law, particularly Sections 15-244 and 18-1803 to 18-1805, inclusive, Reissue Revised Statutes of Nebraska, as amended, and Section 44 of Article IX of the Charter of the City as amended from time to time, and Ordinance No. 18584, adopted August 1, 2005 (the “Note Ordinance”).

This Offering Memorandum includes summaries of the terms of the Notes, certain provisions of the Note Ordinance, and certain contracts and other arrangements relating to LES. The summaries of and references to all documents, reports and other instruments referred to herein do not purport to be complete, comprehensive or definitive and each such summary and reference is qualified in its entirety by references to each such document, report or instrument, copies of which may be obtained, upon request, from Lincoln Electric System, 9445 Rokeby Road, Lincoln, Nebraska 68526-9788, Attention: Chief Financial Officer. Email inquiries should be addressed to ekoenig@les.com.

PURPOSE

This Offering Memorandum relates to the offering, from time to time, of not to exceed \$150,000,000 aggregate principal amount of the Notes under the Note Ordinance. The aggregate principal amount of Notes outstanding may be increased or decreased from time to time as provided in the Note Ordinance. The Note Ordinance provides for up to \$150,000,000 aggregate principal amount of Notes to be outstanding at any time. The Notes have been and are being issued for the purpose of providing short-term borrowing as needed by LES to pay the costs of capital projects.

DESCRIPTION OF THE NOTES

The Notes will be issued in a maximum aggregate principal amount outstanding at any one time of up to \$150,000,000. The Notes will be issued in denominations of \$100,000, or any integral multiple of \$1,000 in excess of \$100,000 and will be issued in book-entry only form through the book-entry system of The Depository Trust Company, New York, New York, as described below. The Notes will bear interest computed on the basis of actual days elapsed on a 365 or 366 day year, whichever is applicable, at an annual rate not in excess of 16% per annum, and shall have a purchase price of 100% of the principal amount thereof. Interest on the Notes will be payable on their respective maturity dates. The Notes will mature not more than 270 days after the date of issuance. The Notes will not be subject to redemption prior to maturity.

U.S. Bank National Association has been appointed as Issuing and Paying Agent for the Notes (the “Paying Agent”).

Book-Entry System

General. The Depository Trust Company (“DTC”), New York, New York, will act as securities depository for the Notes. The ownership of one fully registered Master Note will be registered in the name of Cede & Co., as the nominee for DTC. Ownership interests in the Notes will be available to purchasers only through a book-entry system maintained by DTC (the “Book-Entry System”). A description of DTC, the Book-Entry System and definitions of initially capitalized terms used herein are found in Appendix E.

Risk Factors. Beneficial Owners of the Notes may experience some delay in their receipt of distributions of the principal or redemption price of and interest on the Notes because such distributions will be forwarded by the Paying Agent to DTC, credited by DTC to its Direct Participants, and then credited to the accounts of the Beneficial Owners either directly or indirectly through Indirect Participants.

Because transactions in the Notes can only be effected through DTC, DTC Participants and certain banks, the ability of a Beneficial Owner to pledge Notes to persons or entities that do not participate in the Book-Entry System, or otherwise to take actions in respect of such Notes, may be limited due to the lack of physical certificates. Beneficial Owners will not be recognized by the Paying Agent as registered owners for purposes of the Note Ordinance, and Beneficial Owners will be permitted to exercise the rights of registered owners only indirectly through DTC and DTC Participants.

SECURITY FOR THE NOTES

Security and Sources of Payment for the Notes

The Notes are special obligations of the City payable from and secured solely by the funds pledged therefor pursuant to the Note Ordinance.

To provide security for the payment of the principal of and interest on the Notes as the same shall become due and payable, the Note Ordinance grants a lien on and pledge of, subject only to the provisions of the Bond Ordinance (hereinafter defined) permitting the application thereof for purposes and on the terms and conditions set forth therein, (a) the proceeds from the sale of Notes issued pursuant to the Note Ordinance for the purpose of refinancing, renewing or refunding the Notes, (b) the amounts held in the Commercial Paper (“CP”) Account in the Payment Fund established by the Note Ordinance, (c) the amounts held in the Note Construction Fund established by the Note Ordinance until the amounts deposited therein are used for authorized purposes, (d) the proceeds of any other evidences of indebtedness of the City issued or incurred solely for the payment of principal of and interest on the Notes, (e) any other moneys of the City hereafter pledged by the City to the payment of principal of and interest on the Notes, and (f) the proceeds of Advances made pursuant to the Liquidity Facility; and the principal of and interest on the Notes are equally and ratably secured by and payable from a lien on and pledge of the sources hereinabove identified in the clauses (a) through (f), subject and subordinate only to the exceptions noted therein.

Additionally, to provide security for the payment of principal of and interest on the Notes as the same shall become due and payable, the Note Ordinance grants a lien on and a pledge of, subject only to the provisions of the Bond Ordinance permitting the application thereof for purposes and on the terms and conditions set forth therein, the Net Revenues (as defined in the Bond Ordinance) of LES that are subject and subordinate to the lien and pledge on, or obligation of, the Net Revenues securing the payment of principal of, premium, if any, interest on, and any reserve fund requirements for, or other obligations with respect to, the 2012 Bonds, the 2013 Bonds, the 2015 Bonds, the 2016 Bonds, the 2018 Bonds, the 2020A Bonds, and the 2020B Bonds (collectively the “Outstanding Bonds”) issued pursuant to the provisions of the Ordinance No. 17879 and certain series ordinances adopted thereunder (collectively, the “Bond Ordinance”). The Bond Ordinance provides for the issuance by the City from time to time of Electric System Revenue Bonds (the “Electric System Revenue Bonds”) including the Outstanding Bonds and additional Parity Obligations as identified below. Payment of the Notes from Net Revenues is expressly subordinated to the

Outstanding Bonds and additional Parity Obligations (as defined in the Bond Ordinance). See “Outstanding Debt” below.

Unless the Notes are paid from the sources described in clauses (a) through (f) above, such payment is to be made from Net Revenues deposited in the CP Account in the Payment Fund from the Net Revenues of the System.

To the extent the Notes are not to be paid from the proceeds of Advances or the other sources provided herein and to the extent required for repayment of a Note, the City, subject to the preceding limitations, shall transfer from the Net Revenues into the Note Payment Fund amounts sufficient to pay principal of and interest on the Notes as the same become due.

The Note Ordinance permits the City to issue both the Notes and short-term notes (“Short-term Notes”) payable from and secured by a pledge of and lien on Net Revenues subordinate to the pledge of Net Revenues for the benefit of the Outstanding Bonds and additional Parity Obligations. Any such Short-term Notes shall be secured on a parity basis with the Notes. Pursuant to the Note Ordinance, the total aggregate principal amount of the Notes and the Short-term Notes outstanding at any time may not exceed \$150,000,000. In conjunction with the delivery of a Liquidity Facility (as such term is defined in the Note Ordinance) by JPMorgan Chase Bank, National Association (the “Bank”), the City entered into a Note Purchase Agreement with the Bank (the “Note Purchase Agreement”) pursuant to which the Bank is obligated to purchase Taxable or Tax-Exempt Short-term Notes of the City when and if requested to do so by the City, subject to the terms of the Note Purchase Agreement (the Liquidity Facility is described under the heading “JPMorgan Liquidity Facility” below). The term of the Note Purchase Agreement will mature on or before August 19, 2024. Short-term Notes issued under the Note Purchase Agreement will mature on or before August 19, 2024. The Note Purchase Agreement is not a Liquidity Facility for the Notes. In August 2018, the City issued \$1,500,000 in Short-term Notes and in March 2020 the City issued \$35,000,000 in Short-term Notes under the Note Purchase Agreement. The March 2020 issuance of \$35,000,000 was subsequently paid down in two portions in November 2020 and December 2020. The August 2018 issuance of \$1,500,000 was paid down in August 2021 as a result of an amendment to the Note Purchase Agreement.

Limits on Additional Debt

The City may issue additional Bonds or Parity Obligations provided (a) the Net Revenues for the Fiscal Year immediately preceding the Fiscal Year in which such additional Bonds or Parity Obligations are issued are not less than 100% of the average annual Debt Service on all Bonds and Parity Obligations to be Outstanding upon the issuance of such additional Bonds or Parity Obligations, (b) neither the City nor LES shall be in default under the terms of the Bond Ordinance, (c) the issuance of such additional Bonds or Parity Obligations shall not cause either the City or LES to be in default under the terms of the Bond Ordinance.

The City may issue additional Notes or Short-term Notes pursuant to the Note Ordinance provided the aggregate outstanding amount thereof does not exceed \$150,000,000.

The City may also issue debt subordinate to the Notes from time to time. LES has entered into a Revolving Credit Agreement with U.S. Bank National Association (“U.S. Bank”) effective November 3, 2017 (the “U.S. Bank Revolving Credit Agreement”). The U.S. Bank Revolving Credit Agreement permits LES to draw up to \$50,000,000 on an either tax-exempt or taxable floating rate basis. The U.S. Bank Revolving Credit Agreement terminates, unless extended in accordance with its terms, on March 17, 2023. LES’ obligation to repay advances and the interest thereon under the U.S. Bank Revolving Credit Agreement is subordinate to the payment of the principal of, and interest on, the Outstanding Bonds as well as LES’ Commercial Paper Notes and Short-term Notes and LES’ obligations under the JPMORGAN Liquidity Facility (See “JPMORGAN Liquidity Facility” below). In April 2020, the City drew \$35,000,000

on the U.S. Bank Revolving Credit Agreement and in December 2020 the outstanding balance was paid down.

LIQUIDITY FACILITY

The short-term ratings on the Notes are based on the relevant rating agency’s evaluation of LES’ liquidity reserves generally, and not solely on the strength of a Liquidity Facility (as such term is defined in the Note Ordinance). Notwithstanding the foregoing, a Liquidity Facility has been issued by the Bank for the benefit of the Notes. The interest on the Notes when due is not able to be drawn under the JPMORGAN Liquidity Facility.

JPMORGAN LIQUIDITY FACILITY

The following is a summary of certain provisions of the JPMORGAN Liquidity Facility. This summary is not to be considered a full description or restatement of the material provisions of the JPMORGAN Liquidity Facility and accordingly is qualified by reference thereto and is subject to the full text thereof. Investors should obtain and review a copy of the JPMORGAN Liquidity Facility in order to understand all of the terms of such document. Except as otherwise defined herein, capitalized terms used under this caption without definition have the respective meanings set forth in the JPMORGAN Liquidity Facility.

General

The City and LES entered into a Revolving Credit Agreement dated as of August 24, 2018 (the “JPMORGAN Liquidity Facility”) with the Bank. Pursuant to the JPMORGAN Liquidity Facility, the Bank has established a revolving line of credit for the benefit of the City and LES for the purpose of making loans, upon the conditions specified in the JPMORGAN Liquidity Facility, to fund the payment of the principal on the Notes at the stated maturity thereof. ***The JPMORGAN Liquidity Facility may be drawn only by LES, and only for the purpose of paying maturing principal of the Notes.*** If LES makes a request for an advance under the JPMORGAN Liquidity Facility by 11:30 a.m., which conforms to the

requirements of the JPMORGAN Liquidity Facility, New York City time, on a Business Day, the Bank has agreed to fund the advance no later than 2:30 p.m., New York City time, on the same day.

The Bank's obligation to advance funds to enable the City and LES to pay the principal on the Notes maturing on the date of such advance is subject to termination or suspension automatically or immediately without notice in certain cases. The Bank will not be obligated to advance funds to enable the City or LES (or the Issuing and Paying Agent) to pay the principal on Notes maturing in the event of early termination or suspension of the JPMORGAN Liquidity Facility pursuant to the terms thereof. The Bank is entitled to terminate or suspend its obligations under the JPMORGAN Liquidity Facility upon the occurrence and during the continuation of certain defaults and events of default specified therein including, without limitation, failure to make any payment of maturing Notes. In no case may the JPMORGAN Liquidity Facility be drawn to pay interest on maturing Notes.

Set forth below are brief descriptions or excerpts of certain provisions of the JPMORGAN Liquidity Facility, all of which are qualified in their entirety by reference to the complete provisions of the JPMORGAN Liquidity Facility.

Revolving Loan Commitment

The Bank has agreed, on the terms and conditions set forth in the JPMORGAN Liquidity Facility, to provide liquidity for the payment of principal on maturing Notes. In accordance with the terms thereof, the JPMORGAN Liquidity Facility provides for advances of up to \$150,000,000 for payment of unpaid principal of the Notes at the stated maturity thereof, as such amount may be terminated and reduced pursuant to the terms of the JPMORGAN Liquidity Facility (the "Commitment").

The JPMORGAN Liquidity Facility is set to expire on the earliest of (i) August 19, 2024, as such date may be extended pursuant to the terms of the JPMORGAN Liquidity Facility, (ii) the date on which the Commitment has been reduced to zero pursuant to the terms of the JPMORGAN Liquidity Facility, or (iii) the date on which the JPMORGAN Liquidity Facility is replaced with an alternate credit or liquidity facility entered into to support the Notes in accordance with the terms and provisions of the Note Ordinance (the earliest of (i), (ii) or (iii), the "Commitment Termination Date").

Events of Default

Each of the following events shall constitute an "Event of Default" under the JPMORGAN Liquidity Facility:

(a) (1) the City shall fail to pay (i) any principal of or interest on any Notes when due, (ii) any principal of or interest on any Loan (as defined in the JPMORGAN Liquidity Facility) or Bank Note (as defined in the JPMORGAN Liquidity Facility) when due (whether by scheduled maturity, required prepayment, acceleration, demand or otherwise) (other than payments on Loans or Bank Note due solely as a result of acceleration caused by the Bank, or (iii) when due any Facility Fee (as defined in the JPMORGAN Liquidity Facility) or any other amount payable under the JPMORGAN Liquidity Facility and, in the case of such Facility Fee or other amount, such failure shall continue for a period of three (3) Business Days (as defined in the JPMORGAN Liquidity Facility) from the date such obligation was due or (2) the City or LES, as applicable, fails to pay, or cause to be paid, when due any other Obligation (as defined in the JPMORGAN Liquidity Facility) (other than the Obligations described in clause (1) of this paragraph);

(b) any representation, warranty or statement made by or on behalf of the City and/or LES (as defined in the JPMORGAN Liquidity Facility) or in any Related Document (as defined in the JPMORGAN Liquidity Facility) to which the City and/or LES is a party or in any certificate

delivered pursuant thereto shall prove to be untrue in any material respect on the date as of which made or deemed made; or the documents, certificates or statements of the City and/or LES (including unaudited financial reports, budgets, projections and cash flows of the City and/or LES) furnished to the Bank by or on behalf of the City and/or LES in connection with the transactions contemplated by the JPMORGAN Liquidity Facility, when taken as a whole, are materially inaccurate in light of the circumstances under which they were made and as of the date on which they were made;

(c) the City and/or LES, as applicable, fails to perform or observe any term, covenant or agreement contained in Sections 6.02, 6.06, 6.08, 6.11, 6.12, 6.13, 6.17, 6.20, 6.21, 6.22, 6.23, 6.24, 6.25, 6.27, 6.28, 6.31, 6.34, 6.37, 6.42(b), 6.42(c), and 8.14 of the JPMORGAN Liquidity Facility;

(d) the City and/or LES, as applicable, shall fail to perform or observe any other covenant, agreement, or condition (other than those referred to or contained in clause (a), (b), or (c) above) contained in the JPMORGAN Liquidity Facility, the Bank Note or any other Related Document and such failure, if capable of being remedied, shall remain unremedied for thirty (30) days after the earlier to occur of (i) written notice thereof shall have been given to the City or LES by the Bank or (ii) the date on which such failure shall first become known to the City or LES;

(e) one or more final unappealable judgments or orders, issued or rendered by a Governmental Authority (as defined in the JPMORGAN Liquidity Facility) of competent jurisdiction, for the payment of money from Revenues (as defined in the JPMORGAN Liquidity Facility) in excess of \$5,000,000, individually or in the aggregate, shall be issued or rendered against the City or LES, and such judgment or order shall continue unsatisfied, unbonded, undismissed and unstayed for a period of sixty (60) days;

(f) (i)(A) either of the City or LES shall fail to pay when due and payable any principal of or interest on any Specified Debt (as defined in the JPMORGAN Liquidity Facility) (including, in each case, without limitation, any principal or sinking fund installments, but excluding, in each case, (I) payments due on Specified Debt owing to a liquidity provider under a liquidity facility solely as a result of acceleration caused by such liquidity provider with respect to such Specified Debt and (II) any Specified Debt which is in the form of commercial paper notes which are supported as to the payment of principal and/or interest thereof by a credit enhancement or liquidity facility if such failure to make such payment is due solely to the failure of the related credit enhancement or liquidity facility provider to make such payment), and such failure shall continue beyond any applicable period of grace specified in any underlying indenture, contract or instrument providing for the creation of or concerning such Specified Debt; or (B) any other default under any indenture, contract or instrument providing for the creation of or concerning such Specified Debt, or any other event, shall occur and shall continue after the applicable grace period, if any, specified in such agreement or instrument, if the effect of such default or event is to cause such Debt (as defined in the JPMORGAN Liquidity Facility) to become due, or permit the holder of such Debt to cause such Debt to become due, prior to its stated maturity; (ii) the City or LES shall fail to pay when due and payable any principal of or interest on any of Senior Lien Debt (as defined in the JPMORGAN Liquidity Facility) other than as described in the foregoing clause (i) (including, in each case, without limitation, any principal or sinking fund installments), and such failure shall continue beyond any applicable period of grace specified in any underlying indenture, contract or instrument providing for the creation of or concerning such Senior Lien Debt; or any other default under any indenture, contract or instrument providing for the creation of or concerning such Senior Lien Debt, or any other event, shall occur and shall continue after the applicable grace period, if any, specified in such agreement or instrument, if the effect of such default or event is to cause such Senior Lien Debt to become due, or permit the holder of such Senior Lien Debt to cause such Senior Lien Debt to become due, prior to its stated maturity; or (iii) (A) the City or LES shall fail to pay when due and payable any principal of or interest on any Debt of the City or LES payable from Revenues other than as described in clause (i) and (ii) above having a principal amount in excess of \$5,000,000 and such failure shall continue beyond any

applicable period of grace specified in any underlying indenture, contract or instrument providing for the creation thereof, or (B) any other default under any indenture, contract or instrument providing for the creation of or concerning such other Debt payable from Revenues, or any other event, shall occur and shall continue after the applicable grace period, if any, specified in such agreement or instrument, if the effect of such default or event is to cause such Debt to become due, or permit the holder of such Debt to cause such Debt to become due, prior to its stated maturity;

(g) (i) the City or LES shall commence any case, proceeding or other action (A) under any existing or future law of any jurisdiction, domestic or foreign, relating to bankruptcy, insolvency, reorganization or relief of debtors, seeking to have an order for relief entered with respect to it, or seeking to adjudicate it a bankrupt or insolvent, or seeking reorganization, arrangement, marshaling of assets, adjustment, winding-up, liquidation, dissolution, composition or other relief with respect to it or its debts or (B) seeking appointment of a receiver, trustee, examiner, liquidator, custodian or other similar official for it or for all or any substantial part of its assets, or the City or LES shall make a general assignment for the benefit of its creditors; or (ii) there shall be commenced against the City or LES any case, proceeding or other action of a nature referred to in clause (i) above which (x) results in an order for such relief or in the appointment of a receiver, trustee, examiner, liquidator, custodian or similar official or (y) remains undismissed, undischarged or unbonded for a period of sixty (60) days; or (iii) there shall be commenced against the City or LES, any case, proceeding or other action seeking issuance of a warrant of attachment, execution, distraint or similar process against all or any substantial part of its assets, which results in the entry of an order for any such relief which shall not have been vacated, discharged, or stayed or bonded pending appeal within sixty (60) days from the entry thereof; or (iv) the City or LES shall take any action in furtherance of, or indicating its consent to, approval of, or acquiescence in, any of the acts set forth in clause (i), (ii) or (iii) above or fail to contest in good faith any such appointment or proceeding; or (v) the City or LES shall admit in writing its inability to pay its debts generally as they become due, or shall become insolvent within the meaning of Section 101(32) of the United States Bankruptcy Code;

(h) (i) any provision of applicable law or the JPMORGAN Liquidity Facility, the Notes, the Bank Note, the Issuing and Paying Agent Agreement (as defined in the JPMORGAN Liquidity Facility), the Note Ordinance or any other Related Document related to the payment of principal or interest on the Notes, Bank Note or Loans or the pledge of and Lien (as defined in the JPMORGAN Liquidity Facility) on the Net Revenues (as defined in the JPMORGAN Liquidity Facility) or the Security shall at any time for any reason cease to be valid and binding or fully enforceable on the City or LES or shall be declared to be null and void, invalid or unenforceable as determined by any Governmental Authority of competent jurisdiction in a final nonappealable judgment or as a result of any legislative or administrative action by any Governmental Authority having jurisdiction over the City or LES, (ii)(a) the validity or enforceability of any provision of applicable law or the JPMORGAN Liquidity Facility, the Notes, the Bank Note, the Issuing and Paying Agent Agreement, the Note Ordinance or any other Related Document related to the payment of principal or interest on Notes, the Bank Note or Loans or the pledge of and Lien on the Net Revenues or the Security shall be publicly repudiated or repudiated in writing or publicly contested or contested in writing by the City or LES, (b) any Governmental Authority having appropriate jurisdiction over the City or LES shall make a finding or ruling or shall enact or adopt legislation or issue an executive order or enter a judgment or decree which contests the validity or enforceability of any material provision of the JPMORGAN Liquidity Facility, the Notes, the Bank Note, the Issuing and Paying Agent Agreement, the Note Ordinance or any other Related Document related to the payment of principal or interest on the Notes, Bank Note or Loans or the pledge of and Lien on the Net Revenues or the Security, or (c) an authorized representative of the City or LES shall publicly deny or deny in writing that it has any or further liability or obligation under the JPMORGAN Liquidity Facility, Notes, the Bank Note, the Issuing and Paying Agent Agreement, the Note Ordinance or any other Related Document (other than the Fee Letter (as defined in the JPMORGAN Liquidity Facility), the Offering Memorandum (as defined in the JPMORGAN Liquidity Facility), the Dealer Agreement (as defined in the JPMORGAN

Liquidity Facility) or any exhibit or schedule to any of the Related Documents), or (iii) any material provision of the JPMORGAN Liquidity Facility, Notes, the Bank Note, the Issuing and Paying Agent Agreement, the Note Ordinance or any other Related Document other than a provision described in clause (i) and (ii) under this “Events of Default” subheading paragraph (h) shall at any time for any reason cease to be valid and binding on the City or LES, or shall be declared in a final nonappealable judgment by any court having jurisdiction over the City or LES to be null and void, invalid, or unenforceable, or the validity or enforceability thereof shall be denied or contested by the City or LES;

(i) (i) the City or LES shall impose a debt moratorium, debt restructuring, debt adjustment or comparable extraordinary restriction on the repayment when due and payable of the principal of or interest on any Specified Debt (including, without limitation, the Notes, the Bank Note or the Loans) or (ii) any Governmental Authority having appropriate jurisdiction over the City or LES shall impose as a result of a finding, ruling or other determination or shall enact or adopt legislation or issue an executive order or enter a judgment or decree which results in a debt moratorium, debt restructuring, debt adjustment or comparable extraordinary restriction on the repayment when due and payable of the principal of or interest on (A) the Notes, the Loans or Bank Note, (B) all of the City’s or LES’s Senior Lien Debt, or (C) all of the City’s or LES’s Debt;

(j) (i) the long-term unenhanced rating by any of Moody’s, S&P or Fitch (in each case to the extent such Rating Agency is then providing a rating) on any Senior Lien Debt shall be withdrawn or suspended (for credit related reasons) or reduced below “Baa3” (or its equivalent), “BBB-” (or its equivalent) or “BBB-” (or its equivalent) respectively, or (ii) the long-term unenhanced ratings by Moody’s, S&P and Fitch (in each case to the extent such Rating Agency is then providing a rating) on (A) the Bonds or (B) any Parity Lien Obligations (as defined in the JPMORGAN Liquidity Facility) (to the extent then rated by Moody’s, S&P and Fitch), shall be withdrawn or suspended (in either case, for credit related reasons) or reduced below “Baa3” (or its equivalent), “BBB-” (or its equivalent) and “BBB-” (or its equivalent);

(k) an “*Event of Default*” as defined in the Note Ordinance, the JPM Note Purchase Agreement or the Issuing and Paying Agent Agreement shall occur and be continuing or the City or LES shall default in the due performance or observance of any material term, covenant or agreement contained in any other Related Document and the same shall not have been cured within any applicable cure period;

(m) dissolution or termination of the existence of the City or LES; or

(n) a court of competent jurisdiction has found any of the Senior Lien Debt to have been issued illegally or in violation of the additional debt test in the related ordinance or resolution.

Remedies

Upon the occurrence of any Event of Default, other than an Event of Default specified in paragraph (g) above, the Bank may declare the Bank Note and the Loans, all accrued interest thereon, and all other amounts payable under the JPMORGAN Liquidity Facility to be forthwith due and payable, whereupon the Bank Note and the Loans and such interest and all such amounts shall become and be forthwith due and payable without presentment, demand, protest or further notice of any kind, all of which are expressly waived by the City and LES. If any Event of Default specified in paragraph (g) above shall occur, without any notice to the City or LES or any other act by the Bank, the Bank Note and the Loans, together with accrued interest thereon, and all other amounts payable under the JPMORGAN Liquidity Facility, shall become forthwith due and payable, without presentment, demand, protest, or other notice of any kind, all of which are waived by the City and LES.

Upon the occurrence of any Special Event of Default described in clause (a)(i), (e), (f)(i)(A), (g), (h)(i), (i), (j) (ii) of (m) (each a “Special Event of Default”), (i) the Commitment shall automatically and immediately terminate with respect to all Notes and the Bank shall have no obligation to make any Loan or to fund any outstanding Note, and (ii) the Bank shall use commercially reasonable efforts to deliver a Notice of Termination (as defined in the JPMORGAN Liquidity Facility) to the Issuing and Paying Agent and the Dealer (as defined in the JPMORGAN Liquidity Facility); *provided, however*, that the failure to do so shall in no way affect the automatic and immediate termination of the Commitment under the JPMORGAN Liquidity Facility.

Upon the occurrence of an Event of Default that is not a Special Event of Default, the Bank may, by notice to the Borrower, terminate the Commitment, if any (except as provided below), deliver a Stop Notice to the Borrower and to the Issuing and Paying Agent directing the Issuing and Paying Agent to cease issuing all Notes, whereupon no additional Notes shall be issued, the Available Commitment shall immediately be reduced to the then outstanding principal amount of Notes plus the amount of interest to accrue on such outstanding Notes, and the Available Commitment shall be further reduced in a similar manner as and when such Notes mature; *provided* that the Commitment shall not terminate, and the right of the Bank to accelerate the maturity of the Bank Note and the Loans shall not effect the obligation of the Bank to make Loans in an aggregate principal amount equal to the Commitment to the extent necessary for the Borrower to make required payments of principal on the Notes issued and sold prior to the date upon which the Stop Notice is received by the Issuing and Paying Agent; *provided further* that if any Loans are made that would not have been made but for the application of the immediately preceding provision, such Loans shall be immediately due and payable on the date such Loans are made.

Upon the occurrence of an Event of Default under clause (ii) of paragraph (h) or Default under clause (g) (ii) or (g) (iii) above, under the subheading “Events of Default”, the obligation of the Bank to make Loans under the JPMORGAN Liquidity Facility shall be suspended from the time of the occurrence of such Event of Default until a final, non-appealable judgment of a court having jurisdiction in the premises shall be entered declaring that all contested provisions of the JPMORGAN Liquidity Facility, the Notes, the Bank Note, the Issuing and Paying Agent Agreement, the Note Ordinance or any other Related Document relating to the payment of principal or interest on the Notes, the Bank Note or any Loans or the validity or enforceability of the pledge of and lien on the Security are upheld in their entirety. In the event a judgment is entered declaring that all material contested provisions of the JPMORGAN Liquidity Facility, the Notes, the Bank Note, the Issuing and Paying Agent Agreement, the Note Ordinance and any other Related Document relating to the payment of principal or interest on the Notes, the Bank Note or any Loans or the validity or enforceability of the pledge of and lien on the Security are upheld in their entirety, the obligation of the Bank to make Loans under the JPMORGAN Liquidity Facility shall be automatically reinstated and the terms of the JPMORGAN Liquidity Facility will continue in full force and effect (unless the JPMORGAN Liquidity Facility shall have otherwise expired or terminated in accordance with the terms or there has occurred a Special Event of Default) as if there had been no suspension. In the event any provision of the JPMORGAN Liquidity Facility, the Notes, the Bank Note, the Issuing and Paying Agent Agreement, the Note Ordinance or any other Related

Document relating to the payment of principal or interest on the Notes, the Bank Note or any Loans or the validity or enforceability of the pledge of and lien on the Security is declared to be null and void or unenforceable, or it is determined that the City and LES has no liability or obligation under the JPMORGAN Liquidity Facility, the Notes, the Bank Note, the Issuing and Paying Agent Agreement, the Note Ordinance or any other Related Document, then the obligations of the Bank under the JPMORGAN Liquidity Facility will terminate. Notwithstanding the foregoing, if, upon the date which is the earlier of the Commitment Termination Date (as defined in the JPMORGAN Liquidity Facility) or one (1) year after the effective date of such suspension of the obligation of the Bank pursuant to this paragraph, litigation is still pending and a judgment regarding the validity and enforceability the JPMORGAN Liquidity Facility, the Notes, the Bank Note, the Issuing and Paying Agent Agreement, the Note Ordinance or any other Related Document relating to the payment of principal or interest on the, the Bank Note or any Loans or the validity or enforceability of the pledge of and lien on the Security as is the subject of such Event of Default has not been obtained, then the Commitment and the obligation of the Bank to make Loans under the JPMORGAN Liquidity Facility shall at such time terminate without notice or demand.

Upon the occurrence of an Event of Default under clause (ii) of paragraph (g) under the subheading “Events of Default” above or clause (iii) of paragraph (g) under the subheading “Events of Default” above, the obligation of the Bank to make Loans under the JPMORGAN Liquidity Facility shall be suspended until the proceeding referred to therein is terminated prior to the court entering an order granting the relief sought in such proceeding. In the event such proceeding is terminated, the obligation of the Bank to make Loans under the JPMORGAN Liquidity Facility shall be reinstated and the terms of the JPMORGAN Liquidity Facility will continue in full force and effect (unless the obligation of the Bank to make Loans under (as defined in the JPMORGAN Liquidity Facility) shall have otherwise expired or terminated in accordance with the terms or there has occurred a Special Event of Default) as if there had been no such suspension.

Failure to take action in regard to one or more Events of Default shall not constitute a waiver of, or the right to take action in the future in regard to, such or subsequent Events of Default.

THE LIQUIDITY FACILITY AND THE NOTE ORDINANCE

The Note Ordinance provides that the Liquidity Facility may be reduced or replaced under specified circumstances, as follows:

The Notes may be executed or delivered under the Note Ordinance from time to time with or without the support of a Liquidity Facility; provided, however that the aggregate principal amount of the Notes which may be Outstanding at any time shall not exceed the amount available under the Liquidity Facility in effect for such Notes. To the extent that the payment of principal of and interest on Notes is supported, in whole or in part, by a Liquidity Facility, the amount available pursuant to such Liquidity Facility to pay principal of and interest on such Notes, may be reduced, in whole or in part, without the consent of the Holders of such Notes, provided that if any Rating Agency shall have a rating then in effect for such Notes, the City shall have received written confirmation from each such Rating Agency that such reduction, in and of itself, shall not adversely affect the then-current rating on such Notes.

In addition, to the extent that the payment of principal of Notes is supported, in whole or in part, by a Liquidity Facility, the City may replace such Liquidity Facility with a substitute Liquidity Facility provided by a substitute Liquidity Provider, provided that, (a) notice of such substitution shall be provided to the Holders of the Notes supported by such Liquidity Facility not less than 15 days prior to such substitution, and (b) if any Rating Agency shall have a rating then in effect for such Notes, either (i) the City shall have received written confirmation from each such Rating Agency that such action, in and of itself, shall not adversely affect the then-current rating on such Notes or (ii) such substitution occurs on a date on which all of the Notes supported by such Liquidity Facility mature.

The delivery of the Offering Memorandum shall not create any implication that there has been no change in the affairs of the Bank since the date hereof, or that the information contained or referred to in this Offering Memorandum is correct as of any time subsequent to its date.

FINANCIAL ADVISOR

PFM Financial Advisors LLC (“PFM”), Philadelphia, Pennsylvania, is serving as financial advisor to LES. The financial advisor assisted in the preparation of this Offering Memorandum. PFM will not participate as an underwriter in any offer to purchase the Notes.

APPROVAL OF LEGAL PROCEEDINGS

All legal matters incident to the authorization and issuance of the Notes were subject to the approval of Kutak Rock LLP, Omaha, Nebraska, Bond Counsel, whose approving opinion in connection with the issuance of the Notes in substantially the form attached hereto as Appendix D was delivered to the City on its date. Certain legal matters with respect to the City have passed upon by the Lincoln City Attorney and certain matters with respect to LES have passed upon by its General Counsel.

TAX MATTERS

The following is a summary of the material Federal and State of Nebraska income tax consequences of holding and disposing of the Notes. This summary is based upon laws, regulations, rulings and judicial decisions now in effect, all of which are subject to change (possibly on a retroactive basis). This summary does not discuss all aspects of Federal income taxation that may be relevant to investors in light of their personal investment circumstances or describe the tax consequences to certain types of owners subject to special treatment under the Federal income tax laws (for example, dealers in securities or other persons who do not hold the Notes as a capital asset, tax-exempt organizations, individual retirement accounts and other tax deferred accounts, and foreign taxpayers), and, except for the income tax laws of the State of Nebraska, does not discuss the consequences to an owner under any state, local or foreign tax laws. The summary does not deal with the tax treatment of persons who purchase the Notes in the secondary market. Prospective investors are advised to consult their own tax advisors regarding Federal, state, local and other tax considerations of holding and disposing of the Notes.

Opinion of Bond Counsel

In the opinion of Kutak Rock LLP, Bond Counsel, under the law existing as of the date of Bond Counsel's opinion:

Federal and Nebraska Tax Exemption. The interest on the Notes is excludable from gross income for federal income tax purposes and is exempt from income taxation by the State of Nebraska.

Alternative Minimum Tax. The interest on the Notes is not an item of tax preference for purposes of computing the federal alternative minimum tax imposed on individuals and corporations, but is taken into account in determining adjusted current earnings for the purpose of computing the alternative minimum tax imposed on certain corporations.

Bank Qualification. The Notes have not been designated as "qualified tax-exempt obligations" for purposes of Section 265(b) of the Code.

Bond counsel's opinion was provided as of June 4, 2014, subject to the condition that LES comply with all requirements of the Code that must be satisfied subsequent to the issuance of the Notes in order that interest thereon be, or continue to be, excludable from gross income for federal income tax purposes. LES has covenanted to comply with all such requirements. Failure to comply with certain of such requirements may cause the inclusion of interest on the Notes in gross income for federal and State of Nebraska income tax purposes retroactive to the date of issuance of the Notes. Bond Counsel is expressing no opinion regarding other federal, state or local tax consequences arising with respect to the Notes but has reviewed the discussion under the heading "TAX MATTERS."

Other Tax Consequences

Sale, Exchange or Retirement of Notes. Upon the sale, exchange or retirement (including redemption) of a Note, an owner of the Note generally will recognize gain or loss in an amount equal to the difference between the amount of cash and the fair market value of any property received on the sale, exchange or retirement of the Note (other than in respect of accrued and unpaid interest) and such owner's adjusted tax basis in the Note. To the extent a Note is held as a capital asset, such gain or loss will be capital gain or loss and will be long-term capital gain or loss if the Note has been held for more than 12 months at the time of sale, exchange or retirement.

Reporting Requirements. In general, information reporting requirements will apply to certain payments of principal, interest and premium paid on the Notes, and to the proceeds paid on the sale of the

Notes, other than certain exempt recipients (such as corporations and foreign entities). A backup withholding tax will apply to such payments if the owner fails to provide a taxpayer identification number or certification of foreign or other exempt status or fails to report in full dividend and interest income. The amount of any backup withholding from a payment to an owner will be allowed as a credit against the owner's federal income tax liability.

Collateral Federal Income Tax Consequences. Prospective purchasers of the Notes should be aware that ownership of the Notes may result in collateral federal income tax consequences to certain taxpayers, including, without limitation, financial institutions, property and casualty insurance companies, individual recipients of Social Security or Railroad Retirement benefits, certain S corporations with "excess net passive income," foreign corporations subject to the branch profits tax, life insurance companies, and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry or have paid or incurred certain expenses allocable to the Notes. Bond Counsel expresses no opinion regarding these tax consequences. Purchasers of Notes should consult their tax advisors as to the applicability of these tax consequences and other federal income tax consequences of the purchase, ownership and disposition of the Notes, including the possible application of state, local, foreign and other tax laws.

There is, in the Note Ordinance, established with each Paying Agent for a series of Notes, an appropriately designated Account in the Note Payment Fund. Balances in the relevant account in the Note Payment Fund shall be used solely to pay principal of and interest on Notes and for the repayment of any Advances (evidenced by a Revolving Note). Pending the expenditure of moneys in such account in the Note Payment Fund for authorized purposes, moneys deposited in said account may be invested at the direction of the Administrator (or his designee) in such investments as are authorized investments for funds of the City at the time of investment thereof. Until such time as such Paying Agent receives an investment direction from the Administrator (or his designee), such Paying Agent shall, without further direction or authorization, invest all such moneys only in such investments as such Paying Agent shall determine. Any income received from such investments shall be credited to the relevant account in the Note Payment Fund out of which such investments were made.

To the extent the Notes are not to be paid from the proceeds of other Notes or Advances or the other sources provided in the Note Ordinance and to the extent required for repayment of a Revolving Note, the City, subject to the provisions described in this Offering Memorandum under the heading "SECURITY FOR THE NOTES—Security and Sources of Payment for the Notes," shall make payment from such amounts as may from time to time be available for the purpose thereof in the Electric Revenue Fund established by the Bond Ordinance (the "Electric Revenue Fund") into the CP Account in the Payment Fund, of amounts sufficient to pay principal of and interest on the Notes and any Revolving Notes as the same become due; provided, however, that any such payment shall be subordinated in all respects to the payments -made into the Bond Fund and the Bond Reserve Fund established by the Bond Ordinance. The City, any Registrar or any Paying Agent may sell at the best price obtainable, or present for redemption, any investment so purchased whenever it shall be necessary to provide moneys to meet any required payment, transfer, withdrawal or disbursement from the fund or account to which such investment is credited.

Covenants of the City

The City covenants that it will duly and punctually pay or cause to be paid the principal of and interest on every Note issued under the Note Ordinance, on the date, at the place and in the manner mentioned in the Notes and in accordance with the Note Ordinance, and that payments into and transfers to the Payment Fund will be made, all in strict conformity with the terms of said Notes and of the Ordinance, and that it will faithfully observe and perform all of the conditions, covenants and requirements of the Note

Ordinance and all ordinances supplemental hereto and of the Notes issued under the Note Ordinance, and that time of such payment and performance is of the essence of the City's contract with the Holders.

The City covenants that it shall keep proper books of record and account.

The City further covenants that it will cause its books and accounts to be audited annually by an independent certified public accountant or firm of certified public accountants.

The City shall establish, maintain, revise and collect charges and rates for so long as any Note is Outstanding at least sufficient to provide for all costs associated with the ownership, operation, maintenance, renewal and replacement of the Electric System, the payment of the principal of and interest on all indebtedness (including the Notes incurred with respect to the Electric System) to maintain such coverage for the payment of such indebtedness as the City from time to time may deem advisable, to maintain such other reserves as may be provided in the Bond Ordinance and the Note Ordinance and to carry out all provisions of the Bond Ordinance and the Note Ordinance. Without limiting the generality of the foregoing, the charges and rates shall be so as to produce Revenues, together with other available funds, at least sufficient:

- (1) to pay all Operation and Maintenance Expenses;
- (2) to produce Net Revenues equal to an amount sufficient to pay the annual debt service due and payable in such Fiscal Year of the then Outstanding Notes and Parity Notes, including the Notes which are payable from and secured by the Net Revenues of the Electric System; and
- (3) to pay after deducting the amounts determined in (1) and (2) above, all other financial Notes of the Electric System reasonably anticipated to be paid from Revenues.

The Board will enforce the payment of any and all accounts owing to the City by reason of the ownership and operation of the Electric System by discontinuing such use, output, capacity, or service, or by taking such action as the Board shall determine in accordance with usual and customary business practice.

Events of Default; Remedies

Each of the following events shall be an Event of Default under the Note Ordinance:

- (a) Default shall be made in the due and punctual payment of principal of any Note when and as the same shall become due and payable;
- (b) Default shall be made in the due and punctual payment of the interest on any Note and such default shall continue for a period of thirty (30) days after the due date for the payment of such interest;
- (c) Default under a Liquidity Facility shall occur as a result of a failure to make the due and punctual payment as required thereby or any other amounts due a Liquidity Provider;
- (d) Default shall be made by the City in the performance or observance of any other of the covenants, agreements or conditions on its part contained in the Note Ordinance or in the Notes, and such default shall continue for a period of sixty (60) days after written notice thereof; provided, however, if such default cannot be cured within the sixty (60) day period but corrective action to such default is commenced

and diligently pursued until the default is corrected, no such Event of Default shall be deemed to have occurred;

(c) The dissolution (without a successor being named to assume the rights and obligations) or liquidation of the City or filing by the City of a voluntary petition in bankruptcy, or adjudication of the City as a bankrupt, or assignment by the City for the benefit of its creditors, or the entry by the City into an agreement of composition with its creditors, or the approval by a court of competent jurisdiction with its creditors, or the approval by a court of competent jurisdiction of a petition applicable to the City in any proceeding for its reorganization instituted under the provisions of the Bankruptcy Code, as amended, or under any similar act in jurisdiction which may now be in effect or hereafter enacted; or

(d) The entry of an order or decree with the consent or acquiescence of the City, appointing a receiver or receivers of the Electric System, or any part thereof, or of the rents, fees, charges or other revenues earned thereby, or if such order or decree, having been entered without the consent or acquiescence of the City, shall not be vacated or discharged or stayed within 90 days after the entry thereof.

In case one or more Events of Default shall occur, then and in every such case the Holder of any Note at the time Outstanding shall be entitled to proceed to protect and enforce such Holder's rights by such appropriate judicial proceeding as such Holder shall deem most effectual to protect and enforce any such right, either by suit in equity or by action at law, whether for the specific performance of any covenant or agreement contained in the Note Ordinance or in aid of the exercise of any power granted in the Note Ordinance, or to enforce any other legal or equitable right vested in the Holders of Notes by the Note Ordinance or the Notes or by law. The provisions of the Note Ordinance shall be a contract with each and every Holder of Notes and the duties of the City shall be enforceable by any Holder of the Notes by appropriate suit, action or proceeding in any court of competent jurisdiction.

No remedy conferred in the Note Ordinance upon or reserved to the Holders of Notes is intended to be exclusive of any other remedy, and every such remedy shall be cumulative and shall be in addition to every other remedy given under the Note Ordinance or now or hereafter existing, at law or in equity or by statute or otherwise, and may be exercised at any time or from time to time, and as often as may be necessary, by the Holder of any one or more of the Notes.

Nothing in the Note Ordinance or in the Notes shall affect or impair the obligation of the City, which is absolute and unconditional, to pay the principal of and interest on the Notes to the respective Holders of the Notes at their respective dates of maturity, as provided in the Note Ordinance, but only out of the Net Revenues and other assets herein pledged in the Note Ordinance, and not otherwise, or affect or impair the right of such Holders, which is also absolute and unconditional, to enforce such payment by virtue of the contract embodied in the Notes.

Amendments or Modifications to Note Ordinance Without Consent of Holders of Notes

The Note Ordinance and the rights and obligations of the City and of the Holders of the Notes may be modified or amended at any time by a Supplemental Ordinance, without notice to or the consent of the Holders of the Notes, but only to the extent permitted by law, and, subject to the rights of the Holders of the Notes, only for any one or more of the following purposes:

(a) to add to the covenants and agreements of the City contained in the Note Ordinance, other covenants and agreements thereafter to be observed, or to surrender any right or power herein reserved in the Note Ordinance to or conferred upon the City; or

(b) to cure any ambiguity, or to cure or correct any defective provisions contained in the Note Ordinance, upon receipt by the City of an approving opinion of Bond Counsel selected by the Board, that the same is needed for such purpose, and will more clearly express the intent of the Note Ordinance; or

(c) to supplement the security for the Notes, or make such other changes in the provisions of the Note Ordinance as the Board and the City may deem necessary or desirable and which shall not materially adversely affect the interests of the Holders of the Notes or

(d) to increase the aggregate principal amount of Notes which may be Outstanding from time to time under the Note Ordinance; or

(e) to provide for any modification or amendment to this 2005 Short-Term Note Ordinance which will apply only to the Notes issued after the effective date of such modification amendment; provided, however, that nothing in the Note Ordinance contained shall permit or be construed to permit the amendment of the terms and conditions of the Note Ordinance or of the Notes so as to:

(i) Make any change in the maturity of any of the Outstanding Notes; Reduce the rate of interest borne by any of the Outstanding Notes;

(ii) Reduce the amount of the principal payable on any of the Outstanding Notes;

(iii) Modify the terms of payment of principal of or interest on the Outstanding Notes, or impose any conditions with respect to such payment;

(iv) Affect the rights of the Holders of less than all of the Outstanding Notes; or

(v) Reduce or restrict the pledge made pursuant the Note Ordinance for payment of the Notes; and provided, further, that no change, modification or amendment shall be made in the Note Ordinance or become valid and effective without the approval of such change, modification or amendment by the Liquidity Provider of any Liquidity Facility then in full force and effect, to the extent required by such Liquidity Facility, if any.

Discharge of Note Ordinance

The Notes may be paid by the City, any Registrar or any Paying Agent on behalf of the City in any of the following ways:

(a) by paying or causing to be paid the principal of and interest on all Notes Outstanding, as and when the same become due and payable;

(b) by depositing with the City, each Registrar and each Paying Agent, as appropriate, appointed with respect to a series of Notes or a trustee or escrow agent in trust, at or before maturity, money or securities in the necessary amount (as provided in Section 10.03 of the Note Ordinance) to pay when due or redeem all Notes then Outstanding; or

(c) by delivering to each Registrar and each Paying Agent, as appropriate, appointed with respect to a series of Notes for cancellation, all Notes then Outstanding.

If the City shall pay all Notes which are Outstanding and shall also pay or cause to be paid all other sums payable under the Note Ordinance by the City, including all other amounts due each Liquidity Provider under each Liquidity Facility, then and in that case at the election of the City (evidenced by a Certificate of the City filed with each Registrar and each Paying Agent signifying the intentions of the City to discharge all such indebtedness and the Note Ordinance), and notwithstanding that any Notes shall not have been surrendered for payment, the Note Ordinance and the pledge of Net Revenues and other assets made under the Note Ordinance and all covenants, agreements and other Notes of the City under the Note Ordinance shall cease, terminate, become void and be completely discharged and satisfied. In such event, upon the request of the City, any Registrar or any Paying Agent shall cause an accounting for such period or periods as may be requested by the City to be prepared and filed with the City and shall execute and deliver to the City all such instruments as may be necessary to evidence such discharge and satisfaction, and such Registrar or such Paying Agent shall pay over, transfer, assign or deliver to the City all moneys or securities or other property held by it pursuant to the Note Ordinance which are not required for the payment or redemption of Notes not theretofore surrendered for such payment or redemption.

Upon the deposit with the City, each Registrar and each Paying Agent, as appropriate, appointed with respect to a series of Notes or a trustee or escrow agent, in trust, at or before maturity, of money or securities in the necessary amount (as provided below) to pay or redeem any Outstanding Note (whether upon or prior to its maturity), then all liability of the City in respect of such Note shall cease and be completely discharged, except only that thereafter the Holder thereof shall be entitled to payment of the principal of and interest on such Note by the City, the Registrar or the Paying Agent, as appropriate, appointed with respect to such Note or such trustee or escrow agent, and the City, the Registrar or the Paying Agent, as appropriate, appointed with respect to such Note or such trustee or escrow agent shall remain liable for such payments, but only out of such money or securities held by or deposited with the City, such Registrar or such Paying Agent, as appropriate, or such trustee or escrow agent as aforesaid for their payment.

The City may at any time cancel any Notes previously issued and delivered, which the City may have acquired in any manner whatsoever, and such. Notes, upon such cancellation, shall be deemed to be paid and retired.

Whenever in the Note Ordinance it is provided or permitted that there be deposited with or held in trust by the City, any Registrar or any Paying Agent, as appropriate, or a trustee or escrow agent money or securities in the necessary amount to pay or redeem any Notes, the money or securities so to be deposited or held may include money or securities held by the City, such Registrar or such Paying Agent, as appropriate, or such trustee or escrow agent in the funds and accounts established pursuant to the Note Ordinance and shall be:

(a) lawful money of the United States of America in an amount equal to the principal amount of such Notes and all unpaid interest thereon to maturity; or

(b) Notes backed by the full faith and credit of the United States of America the principal of and interest on which when due (without any income from the reinvestment thereof) will provide money sufficient to pay the principal of and all unpaid interest to maturity on the Notes to be paid as such principal and interest become due; or

(c) subject to approval under existing Board policy and certification by the City to the Registrar or the Paying Agent, as appropriate, appointed with respect to such

series of Notes that the requirements of this subsection (c) are satisfied, repurchase agreements of a term not to exceed 60 days of United States Treasury notes, bonds, bills or certificates of indebtedness, or those for which the faith and credit of the United States are pledged for the payment of principal and interest; provided that such investments in purchased securities shall be made only with primary dealers in governmental securities or financial institutions with a rating of B/C or better; provided further that investments in such repurchase agreements shall provide for purchased securities with a market value at least 101 percent of the amount of the invested funds; provided further that such investments shall provide for a transfer of ownership and possession of the purchased securities, either to the City directly or to a custodian depository institution which shall take record title and shall establish and maintain a subaccount in its financial records for the securities in the City's name; provided further such custodian shall not be the dealer from which the securities were purchased; provided further the repurchase agreement shall also provide a contractual right to liquidation of the purchased securities upon the bankruptcy, insolvency or other default of the counterparty; and provided further that any such purchased securities shall include only securities maturing within 24 months of the inception of the investment; provided, in each case, that the City, the Registrar or the Paying Agent, as appropriate, or such trustee or escrow agent shall apply such money to the payment of such principal and interest with respect to such Notes, and provided further, that with respect to the deposit of Notes pursuant to subsections (b) or (c), the City, the Registrar or the Paying Agent, as appropriate, and such trustee or escrow agent shall have received the report of an independent firm of nationally recognized public accountants to the effect that the amount deposited is sufficient to make the payments specified therein.

Liability of City Limited to Net Revenues

Notwithstanding anything contained in the Note Ordinance or in the Notes, the City shall not be required to advance any moneys derived from any source other than the funds and other assets pledged under the Note Ordinance for any of the purposes mentioned in the Note Ordinance, whether for the payment of the principal of or interest on the Notes or for any other purpose of the Note Ordinance. Nevertheless, the City may, but shall not be required to, advance for any of the purposes of the Note Ordinance any funds of the City which may be made available to it for such purposes.

Waiver of Personal Liability

No Council member, Board member, officer, agent or employee of the City or the Board shall be individually or personally liable for the payment of the principal of or premium, if any, or interest on the Notes or be subject to any personal liability or accountability by reason of the issuance thereof, but nothing in the Note Ordinance contained shall relieve any such member, officer, agent or employee from the performance of any official duty provided by law or by the Note Ordinance. No Council member, Board member, officer, agent or employee of the City or the Board shall be deemed to be included, as an individual, in the definition of Person when acting in their official capacity.

Payment and Performance on Business Days

Whenever under the terms of the Note Ordinance or the Notes, the performance date of any provisions of the Note Ordinance or thereof, including the payment of principal of or interest on the Notes, shall occur on a day other than a Business Day, then the performance thereof, including the payment of principal of and interest on the Notes, need not be made on such day but may be performed or paid, as the case may be, on the next succeeding Business Day with the same force and effect as if made on the date of performance or payment.

APPENDIX D
OPINION OF BOND COUNSEL

June 4, 2014

The City of Lincoln, Nebraska
Acting for and on behalf of:
Lincoln Electric System
1040 "0" Street
Lincoln, NE 68508

The City of Lincoln, Nebraska
Lincoln Electric System Revenue Commercial Paper Notes

Ladies and Gentlemen:

We have examined proceedings relating to the issuance by The City of Lincoln, Nebraska (the "Issuer") of its Lincoln Electric System Revenue Commercial Paper Notes authorized in an aggregate principal amount outstanding at any time not to exceed \$150,000,000 (the "Notes"). The Notes are issued pursuant to Ordinance No. 18584 adopted on August 1, 2005 by the Council (the "Ordinance"). Capitalized terms used and not otherwise defined in this opinion have the meanings assigned to those terms in the Ordinance.

The Notes recite that they are issued under and pursuant to and in full compliance with the Constitution and laws of the State of Nebraska, including the Charter of the Issuer (the "Charter"), and the Ordinance.

The Notes, when issued and delivered in accordance with the Ordinance, will constitute "Subordinated Indebtedness" for purposes of Ordinance No. 17879, pursuant to which Bonds and Parity Obligations of the Issuer payable from the Net Revenues of Lincoln Electric System have been and may be issued. Under the terms of the Ordinance, the lien on the Net Revenues for the payment of the Notes is subordinated and inferior to the lien on such Net Revenues for the payment of the Bonds and Parity Obligations.

We have examined the Constitution and statutes of the State of Nebraska, applicable provisions of the Charter, and a certified transcript of the proceedings of the Issuer authorizing or relating to the Ordinance and the issuance of the Notes outstanding as of the date hereof (including, without limitation, documentation relating to the issuance, in 2011, of those Notes not being initially issued on the date hereof). We have also reviewed such other documentation and certificates as we deem relevant and necessary in rendering this opinion. The Issuer has covenanted in the Ordinance, in the tax certificate of the Issuer dated as of May 18, 2011, with respect to the Notes and in the tax compliance certificate of the Issuer dated the date hereof (the "Tax Certificate") to comply with all necessary provisions of the Internal Revenue Code of 1986 (the "Code") and the related regulations, rulings and judicial decisions in order to preserve the exclusion of interest on the Notes from gross income for federal income tax purposes. Noncompliance by the Issuer with such restrictions may cause the interest on the Notes to be subject to federal income taxation retroactive to their date of issue. We have assumed that the Issuer and others have complied and will continue to comply with the covenants, agreements, representations and certifications included in the items examined. As to questions of fact material to our opinion, we have relied upon the certifications and

representations of public officials and others in the items examined without undertaking to verify the same by independent investigation.

Based on such examination, we are of the opinion that:

1. The Issuer is validly existing as a political subdivision of the State of Nebraska (the “State”) with the power to adopt the Ordinance, perform the agreements on its part contained therein, and issue the Notes.

2. The Notes have been duly authorized, executed and delivered by the Issuer and, once issued in duly authorized form, executed by officials of the Issuer and authenticated by the Paying Agent, when delivered to and paid for by purchasers thereof, will constitute the valid and legally binding special obligations of the Issuer, payable from the sources provided therefor in the Ordinance.

3. The Notes are payable solely from the net income and revenues derived by the Issuer from the operation of the Lincoln Electric System, after providing for the costs of operation and maintenance thereof and payment of the Bonds and Parity Obligations. The Notes do not constitute general obligations of the Issuer and do not constitute an indebtedness of the Issuer within the meaning of any constitutional or statutory provision, limitation or restriction. The taxing power of the Issuer is not pledged to the payment of the Notes.

4. The Ordinance has been duly adopted by the governing body of the Issuer and approved by the Mayor of the Issuer and constitutes a valid and legally binding obligation of the Issuer enforceable against the Issuer in accordance with its terms.

5. Under existing laws, regulations, rulings and judicial decisions, interest on the Notes is not includable in gross income for federal income tax purposes. Interest on the Notes does not constitute an item of tax preference for purposes of the alternative minimum tax imposed on individuals and corporations by the Code. The opinions set forth in this paragraph are subject to continuing compliance by the Issuer with covenants regarding federal tax law contained in the Ordinance and the Tax Certificate. Failure to comply with such covenants could cause interest on the Notes to be included in gross income retroactive to the date of issue of the Notes. Although we are of the opinion that interest on the Notes is excluded from gross income for federal income tax purposes, the accrual or receipt of interest on the Notes may otherwise affect the federal income tax liability of the recipient. The extent of these other tax consequences will depend upon the recipient’s particular tax status and other items of income or deduction. We express no opinion regarding any such consequences.

6. Under existing laws, regulations and judicial decisions, interest on the Notes is exempt from all present Nebraska state income taxes as long as it is exempt for purposes of the federal income tax.

We express no opinion regarding the accuracy, completeness or sufficiency of any commercial paper memorandum or other offering material relating to the Notes (except to the extent, if any, stated in such commercial paper memorandum). Further, we express no opinion regarding the perfection or priority of the lien on revenues or other funds pledged under the Ordinance or tax consequences arising with respect to the Notes other than as expressly set forth in this opinion.

The obligations of the Issuer contained in the Notes and the Ordinance, and the enforceability thereof, are subject to general principles of equity which may permit the exercise of judicial discretion, the reasonable exercise in the future by the State of Nebraska and its governmental bodies of the police power inherent in the sovereignty of the State, applicable bankruptcy, insolvency, moratorium or similar laws

relating to or affecting creditors' rights generally and the exercise by the United States of America of the powers delegated to it by the Constitution of the United States of America.

The scope of our engagement does not extend beyond the examinations and the rendering of the opinions expressed herein. This letter is issued to and for the sole benefit of the above addressees. No person other than the above addressees may rely upon this letter without our express prior written consent. This letter may not be utilized by you for any other purpose whatsoever and may not be quoted by you without our express prior written consent. This letter may not be relied upon relative to subsequent issuances of the Notes unless we deliver an opinion in writing affirming the conclusions set forth herein. We have not assumed any responsibility with respect to the creditworthiness of the security for the Notes, and our engagement as bond counsel with respect to the transaction referred to herein terminates upon the date of this letter. We assume no obligation to review or supplement this letter subsequent to its date, whether by reason of a change in the current laws, by legislative or regulatory action, by judicial decision or for any other reason.

Very truly yours,

APPENDIX E
BOOK-ENTRY SYSTEM

BOOK-ENTRY SYSTEM

1. The Depository Trust Company (“DTC”), New York, NY, is acting as securities depository for the Notes. The Notes will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Master Note certificate has been issued for the Notes, and has been deposited with DTC.

2. DTC, the world’s largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC has Standard & Poor’s rating of “AA+.” The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

3. Purchases of the Notes under the DTC system must be made by or through Direct Participants, which will receive a credit for the Notes on DTC’s records. The ownership interest of each actual purchaser of each Note (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Notes are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Notes, except in the event that use of the book-entry system for the Notes is discontinued.

4. To facilitate subsequent transfers, all Notes deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Master Note with DTC and its registration in the name of Cede & Co. or such other DTC nominee do not affect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Notes; DTC’s records reflect only the identity of the Direct Participants to whose accounts such Notes are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

5. Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial

Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

6. Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Notes unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the LES as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Notes are credited on the record date (identified in a listing attached to the Omnibus Proxy).

7. Payments on the Notes will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from LES or the Paying Agent, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Paying Agent, or LES, subject to any statutory or regulatory requirements as may be in effect from time to time. Payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of LES or the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

8. DTC may discontinue providing its services as depository with respect to the Notes at any time by giving reasonable notice to LES or the Paying Agent. Under such circumstances, in the event that a successor depository is not obtained, Security certificates are required to be printed and delivered.

9. LES may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Note certificates will be printed and delivered to DTC.

10. The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that LES believes to be reliable, but LES takes no responsibility for the accuracy thereof.

11. LES will not have any responsibility or obligation to Direct or Indirect Participants or to any Beneficial Owner with respect to (i) the accuracy of any records maintained by DTC or any Direct or Indirect Participant; (ii) the payment by DTC or any Direct or Indirect Participant of any amount with respect to the Notes; (iii) any notice which is permitted or required to be given to Noteholders under the Note Ordinance; or (iv) any consent given or other action taken by DTC as Noteholder.

The information included under this heading "BOOK-ENTRY SYSTEM," other than in this paragraph and the preceding bold face paragraphs, has been provided by DTC. No representation is made by LES, the Paying Agent or the Underwriters as to the accuracy or adequacy of such information provided by DTC or as to the absence of material adverse changes in such information subsequent to the date thereof.
