

Solar Trade Ally Network Participants List

Solar installers listed below have been educated about and formally acknowledged that they will represent LES rates, incentives and other utility-related information in a consistent and accurate manner. **Only** projects installed by a network participant are eligible for LES' value-of-capacity incentive.

Inclusion on the Solar Trade Ally Network Participant List does **NOT** constitute an endorsement or guarantee of service by LES.

If you have any questions, contact LES at 402.475.4211 or energyservices@LES.com.
